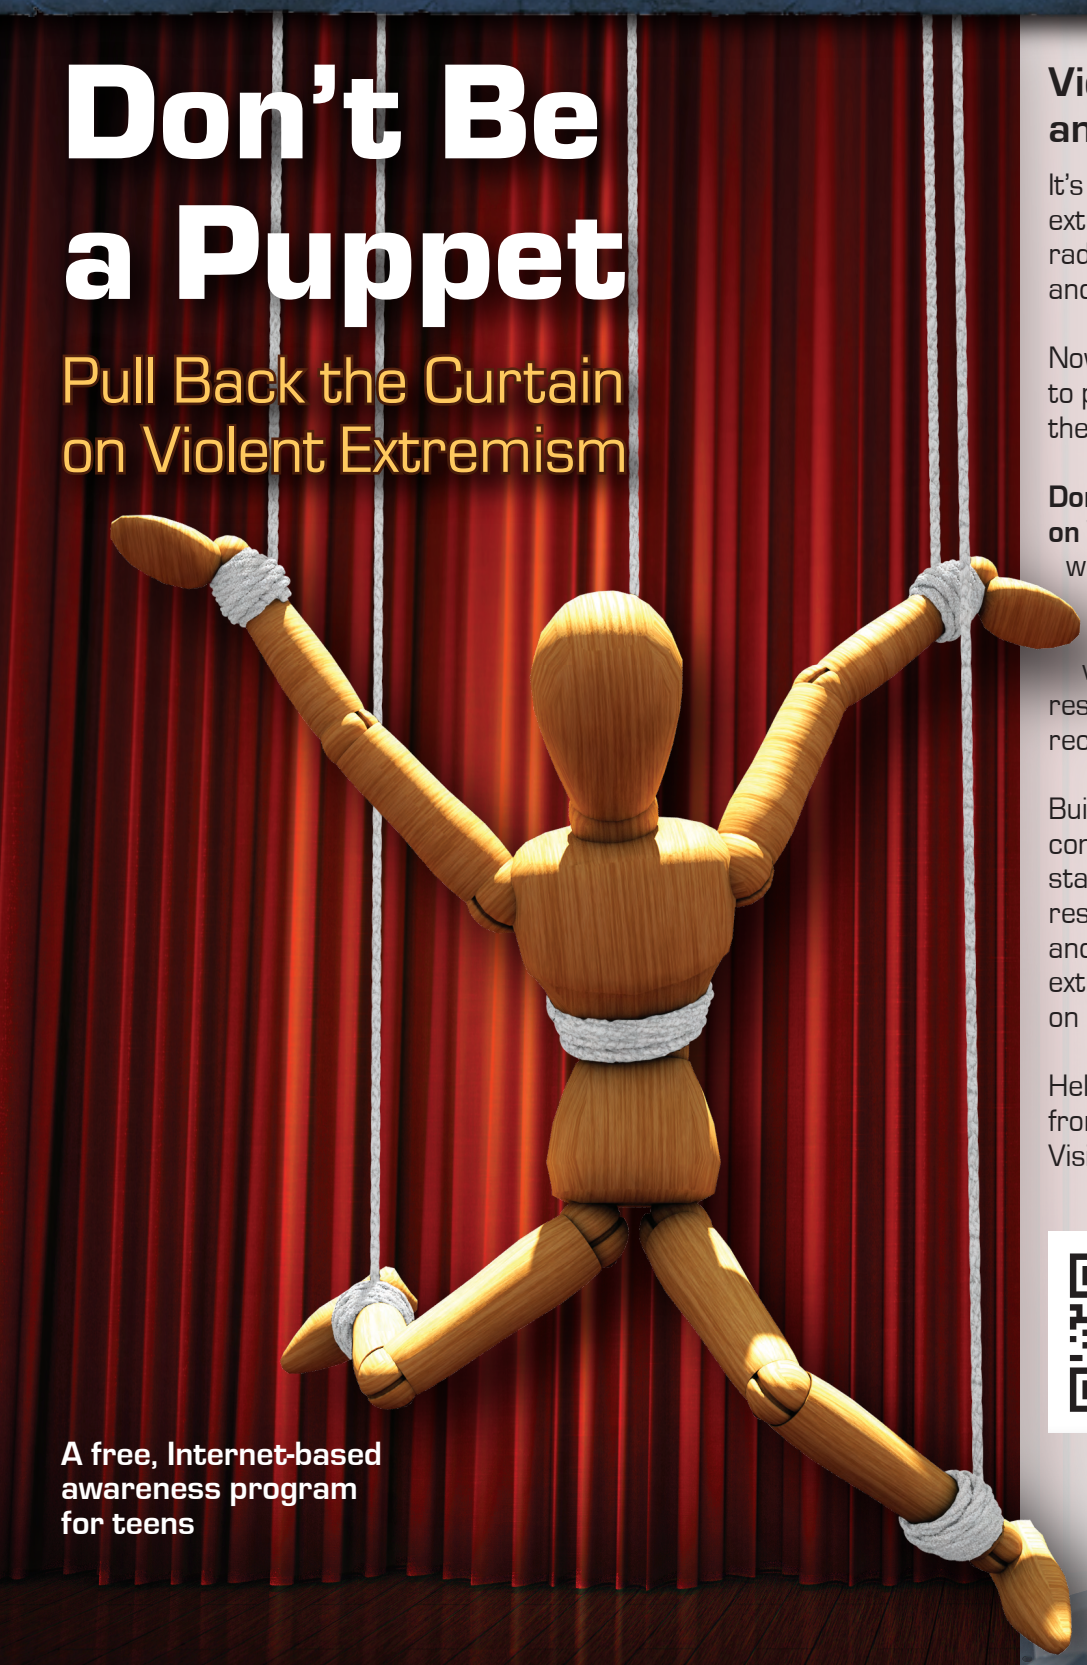
Don't Be a Puppet

Pull Back the Curtain on Violent Extremism



A free, Internet-based awareness program for teens

Violent Extremism and American Youth

It's an increasingly serious threat: violent extremists of all kinds attempting to radicalize and mobilize the youth of America and even to lure them overseas.

Now there's a free online tool that aims to protect our teens by giving them the facts.

Don't Be a Puppet: Pull Back the Curtain on Violent Extremism is an interactive website designed to open the eyes of teens to the devastating reality and deceptive messaging of violent extremism and to strengthen their resistance to radicalization and possible recruitment.

Built by the FBI in consultation with community leaders and other partners, this standalone program can be used as a resource by civic groups, parents, teachers, and others to raise awareness of violent extremism and its growing impact on our country.

Help protect our nation's youth from violent extremism.
